

The safety of our employees, customers, families and visitors remains HM White’s overriding priority. As the coronavirus disease 2019 (COVID-19) outbreak continues to evolve and spreads globally, HM White management is monitoring the situation closely and will periodically update company guidance based on current recommendations from the Center for Disease Control and the World Health Organization.

To prevent the spread of COVID-19 and reduce the potential risk of exposure to our employees and visitors, we are conducting a simple screening questionnaire. Your participation is important to help us take precautionary measures to protect you and everyone in this building. Thank you for your time.
